Never Settle For Less.

Always Specify SAF-HOLLAND Original Parts.

Service parts for SAF, HOLLAND, NEWAY and former Binkley, Simplex and TruckMaster products.

From fifth wheel rebuild kits to suspension bushing repair kits, SAF-HOLLAND Original Parts are the same quality components used in the original component assembly. SAF-HOLLAND Original Parts are tested and designed to provide maximum performance and durability. Will-fits, look-alikes or, worse yet, counterfeit parts will only limit the performance potential and could possibly void SAF-HOLLAND's warranty.

Always be sure to spec SAF-HOLLAND Original Parts when servicing your SAF, HOLLAND and NEWAY products.
